Hello, my name is _____ and I _____ (DESCRIBE YOUR WORK HERE) _____. I respectfully ask you to reject Senate Bill 5 that would repeal collective bargaining for state employees like me.

Collective bargaining did not create the budget deficit, and repealing it won't fix it. When the state is in a budget crisis, we have proven time and again our commitment to serving the needs of Ohio citizens. Over the last 9 years, state workers have taken five years of pay freezes and other concessions, like increases in our share of health care costs.

Radical measures like SB 5 will only create more strife and tension in state government, at a time when Ohioans need our help more than ever. Can I count on you to vote **NO** on Senate Bill 5?
